## references

after a low threshold introduction this book offers an orientation on various theories of social conflict and their potential for understanding conflicts in order to be able to deal with them constructively classic theories of social conflict are presented briefly first based on this two selected theoretical perspectives on social conflict the conflict theory approaches of ralf dahrendorf and niklas luhmann are further developed dahrendorf s conflict theory is combined with a differentiated variant of his life chances approach luhmann s conflict theory is expanded to include a theoretical discussion of escalation dynamics and de escalation archetypes using a case study on landscape conflicts in the context of the energy transition the authors illustrate the potential of the theories discussed to explain the emergence stabilization and escalation of such conflicts the book will end with a focus on current discussions about the significance of feelings in social conflicts and how to deal with them

intergroup competition and conflict create pervasive problems in human society giving rise to such phenomena as prejudice terrorism ethnic cleansing and interstate war citizens policy makers social workers schoolteachers and politicians wrestle with these problems and with difficult questions these issues pose what causes conflict to escalate how should we manage conflict within communities and also in society at large is conflict always bad or does it have other more beneficial consequences social conflict within and between groups provides an overview of contemporary research from the social sciences on these questions it brings together the research output of a number of leading researchers in psychology management and economics sociology and political science and draws on the outcomes of ten prominent research programs conducted over the past five years the chapters cover a range of fascinating topics including prejudice and discrimination in multi ethnic societies and conflict and negotiation in the field of industrial relations the authors also consider the possibilities for intervention at the interpersonal intergroup and societal level this is the first volume to provide an interdisciplinary overview of the various scientific approaches to studying the origins and consequences of social conflict it will be of great interest to researchers graduates and upper

level undergraduate students from across the social and behavioural sciences a thorough critique of theories of institutional change followed by the development of a new theory emphasising the role of distributional conflict in the emergence of social institutions

revolutions are melancholy moments in history brief gasps of hope that emerges from misery and disillusionment this is true for great revolutions like 1789 in france or 1917 in russia but applies to lesser political upheavals as well conflict builds into a state of tense confrontation like a powder keg when a spark is thrown an explosion takes place and the old edifice begins to crumble people are caught up in an initial mood of elation but it does not last normality catches up why do revolutions occur in this completely revised edition of the modern social conflict ralf dahrendorf explores the basis and substance of social and class conflict ultimately he finds that conflicts are about enhancing life chances that is they concern the options people have within a framework of social linkages the ties that bind a society which dahrendorf calls ligatures the book offers a concise and accessible account of conflict s contribution to democracies and how democracies must change if they are to retain their political and social freedom this new edition takes conflict theory past the fall of the berlin wall in 1989 and into the present day upon publication of the original 1988 edition stanley hoffmann stated ralf dahrendorf is one of the most original and experienced social and political writers of our time this book is both a survey of social and political conflict in western societies from the eighteenth century to the present and a tract for a new radical liberalism and saul friedländer wrote ralf dahrendorf has written a compelling book the brilliant contribution of a convinced liberal to the study of conflict within contemporary democratic society
